

# Gil, Why?

Every morning I wake up  
I hear some voices in my head  
They're telling me softly  
Things I can never understand  
I look in the mirror, I see myself  
I am lonely, I am down  
I need someone that helps me to get back on the ground

I'm losing my world when I close my eyes  
But the only thing that remains is the dark pain of mine

Chorus:  
Why can't you hear me?  
Can't you hear me cry?  
The world is frozen  
Can't you tell me why?  
Why can't you hear me?  
Can't you hear me now?  
We need some changes  
There is no doubt

I'm looking out of my window  
I see the birds fly away  
I'm asking myself  
Why they don't wanna stay  
I'm looking up to the moon  
The moon is so sad and grey  
Still I don't know why it all has to be this way

I'm losing my world when I close my eyes  
But the only thing that remains is the dark pain of mine

Chorus

I'm losing my world when I close my eyes  
But the only thing that remains is the dark pain of mine

Chorus (repeat)
