

Gilberto Gil, Kaya N' Gan Daya

Wake up and turn loose
Wake up and turn loose
Wake up and turn loose
For the rain is falling
Got to have kaya now
Got to have kaya now
Got to have kaya now
For the rain is falling
I feel so high, I even touch the sky
Above The falling rain
I feel so good in my neighborhood
So here I come again
Got to have kaya now
Got to have kaya now
Got to have kaya now
For the rain is falling
Eu posso ver
O sol aparecer
Sobre a chuva que cai
To bom rever
A tribo, o fumac
Do cachimbo da paz
(E muito mais)
Kaya j, na Gandaya
Kaya j, na Gandaya
Kaya j, nem que a chva
Kaya
Na Gandaya, Kaya j
Na Gandaya, Kaya j
Kaya j, nem que a chuva
Kaya</p>
