

# Giles, Giles And Fripp, Hypocrite

You go to and fro I know  
I go to but I can't know  
Only time I came to grips  
Went and lost my [...] clips

Something in your make-up is at fault  
People tend to take you with a pinch of salt  
People laugh at me because of you  
My friend always said that you would never do

Your friends say you are hip  
I understand it's short for  
"Hippo describes you to a T";

Now I see the light of day  
Even though it's far away  
[Swift?] is such a common name  
I just wonder what's your game

Everything you say I disbelieve  
Including yarns you spin when you begin to weave  
You told me you(r) [...]  
And some [...]

Your friends say you are hip  
I understand it's short for  
"Hippo describes you to a T";
