

Giles, Prayers(2) Ft Steph Lacroix

it starts whit tierdness n bullshit um depressed and stressed watch out 'cause u mother f**ker will get knocked out
um in my bed sick and tierd my head hurts my chest is pumping whit blood my heart is stumping
evry-time i think about my life i think big bunch of kyfe
holding this gun to my temple dropping tears wishing i whould hear my beautiful gurl again
shes gone for 4 days its like im going the wrong way's my head dont think right evrything i see
its not heaven and dreams its murder and seems...

i wish it whould be heaven and dreams n not murder and seems
n i want my head seeing evry sight my lungs tight i dont wanna leave this world
'cause i know im in love whit this gurl right..?

shes alwas saying dont say that or this but this is how i feel inside um losing my pride
u gotta help me up 'cause um falling down whit depression and stress
this is not my best pride i just wanna leave my tears inside and live this wounder full life
u problebly hear this evryday but im scared of lossing u..
is kiss is a kiss intil i find ur love a hug its just a hug til im the one u dreaming of u
a dream is a dream til is commes true but i know right now the love iv got for u
is proven to be true..

i got this from a poem but i change alot 'cause i want it to be true and fine how the ur mine.

the way u shine that makes evry thing fine..but i think its the rhyme that
puts this gun to my head 1000 emotion's going true my mind that wasnt even said.. sick and tierd o

n made me cry
as i rest in peace in my coffin i think about my life and think about all the memories i had and think
but the darkness makes me blank whit 10 feet down sank.
soo hush my baby gurl dont u cry evrything will be alright close ur eyes and drift whit my memories
and make me rest in peace a sleep... babe hold my shirt tight evry-day i will give u life
as i drift off to ur world n make me rest in peace a sleep very deep....
notings to hind and notings to see in this coffin whit no life and no pride as i rest in peace deep..
i had a good life til i lost my gide tell evry-body i said good-bye as i pray n say hi for heaven til the c
