

Gillian Welch, I Want To Sing That Rock And Roll

I want to sing that rock and roll.
I want to 'lectrify my soul,
'Cause everybody been making a shout
So big and loud, been drowning me out.
I want to sing that rock and roll.

I want to reach that glory land.
I want to shake my savior's hand,
And I want to sing that rock and roll.
I want to 'lectrify my soul,
'Cause everybody been making a shout
So big and loud, been drowning me out.
I want to sing that rock and roll.

I been a-traveling near and far,
But I want to lay down my old guitar,
And I want to sing that rock and roll.
I want to 'lectrify my soul,
'Cause everybody been making a shout
So big and loud, been drowning me out.
I want to sing that rock and roll.

I been a-traveling near and far,
But I want to lay down my old guitar,
And I want to sing that rock and roll.
I want to 'lectrify my soul,
'Cause everybody been making a shout
So big and loud, been drowning me out.
I want to sing that rock and roll.
I want to sing that rock and roll.
