

Gimp, Supernothing

1234

He wakes up sad again
He wonders when the rain will end
(Maybe tomorrow)
She'll act like she don't care
To her it's just a game
That he plays
(Till he's saying:)

I'm a super
I'm a nothing
I'm a no one
Going nowhere fast
But I don't care
But I don't care
I'm a super
I'm a nothing
I'm a no one
Going nowhere fast
But I don't care

All the times he said he would
She never really understood what he meant
(What he said)
He'll find himself alone
Standing in the rain
(And I'm saying:)

I'm a super
I'm a nothing
I'm a no one
Going nowhere fast
But I don't care
But I don't care
I'm a super
I'm a nothing
I'm a no one
Going nowhere fast
But I don't care

He wakes up sad again
He wonders when the rain will end
(Maybe tomorrow)
She'll act like she don't care
To her it's just a game
(That he plays)
All the times he said he would
She never really understood what he meant
(What he said)
He'll find himself alone
Standing in the rain

Hey Hey Hey Hey
Thanks for all the sadness
(Hey!) Hey thanks for all the madness
(Hey!) Hey thanks for all you gave me
(Hey!) Hey thanks for trying to save me
(Hey!) Hey thanks for all the sadness
(Hey!) Hey thanks for all the madness
(Hey!) Hey thanks for trying to save me
(Hey!) Hey thanks for all you gave me

I'm a super

I'm a nothing
I'm a no one
Going nowhere fast
But I don't care
But I don't care
I'm a super
I'm a nothing
I'm a no one
Going nowhere fast
But I don't care
Yeah yeah
