? or later they all fall down  
? twist of fate  
? encourage it  
Rip it out if it ?

Well I don't  
Me too  
Me too  
Me too  
Everyone'll end up inside  
And I'm trying to  
Be too  
Careful  
With you  
Everyone'll end up inside  
End up inside

?  
My hands are tied  
Through all the certanties  
Tell me when to lie

Well I don't  
Me too  
Me too  
Me too  
Everyone'll end up inside  
And I'm trying to  
Be too  
Careful  
With you  
Everyone'll end up inside  
End up inside
