

# Gin Blossoms, Follow You Down

Did you see the sky  
I think it means that we've been lost  
Maybe one less time is all we need  
I can't really help it if my tongue's all tied in knots  
Jumping off a bridge, it's just the farthest that I've ever been  
Anywhere you go, I'll follow you down  
Anyplace but those I know by heart  
Anywhere you go, I'll follow you down  
I'll follow you down, but not that far  
I know we're headed somewhere, I can see how far we've come  
But still I can't remember anything  
Let's not do the wrong thing and I'll swear it might be fun  
It's a long way down when all the knots we've tied have come undone  
Anywhere you go, I'll follow you down  
Anyplace but those I know by heart  
Anywhere you go, I'll follow you down  
I'll follow you down, but not that far  
How you gonna ever find your place  
Running in an artificial pace  
Are they gonna find us lying face down in the sand  
So what the hell now, we've already been forever damned  
Anywhere you go I'll follow you down...
