

Gin Blossoms, Hey Jealousy

Tell me do you think it'd be all right
If I could just crash here tonight
You can see I'm in no shape for driving
And anyway I've got no place to go
And you know it might not be that bad
You were the best I'd ever had
If I hadn't blown the whole thing years ago
I might not be alone
Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place...hey jealousy
And you can trust me not to think
And not to sleep around
If you don't expect too much from me
You might not be let down
Cause all I really want is to be with you
Feeling like I matter too
If I hadn't blown the whole thing years ago
I might be here with you
Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might be found
To take its place...hey jealousy
