

# Gina T, Sayonara

She seems to be light of the morning sun  
She is the only pearl of her family  
One day she fell in love but the rules are strong, so strong  
Don't love this stranger, no one with golden hair  
And she said don't cry for me my love, sayonara  
Don't forget the nights of thousand dreams  
Don't forget the little Japanese, sayonara  
In my heart I keep on loving you  
Up in her eyes she show all the love and pain  
Japanese men has ordered he has to go  
And sometimes in the night you can hear her cry, her cry  
So lonely is the life of sweet butterfly  
And she said don't cry for me my love, sayonara  
Don't forget the nights of thousand dreams  
Don't forget the little Japanese, sayonara  
In my heart I keep on loving you  
One day she fell in love but the rules are strong, so strong  
Don't love this stranger, no one with golden hair  
And she said don't cry for me my love, sayonara  
Don't forget the nights of thousand dreams  
Don't forget the little Japanese, sayonara  
In my heart I keep on loving you
