

Gina X Performance, No G.D.M.

Wanna be a great dark man,
Nothing but a lesbian.
You are perfect, you are sheer,
If you are a red-haired queer.
That's life, one dies.
C'est la vie, ma cherie,
But it really doesn't matter.

No G.D.M.
No great dark man
No G.D.M.
No great dark man

There won't be a great dark man,
If I am a red-haired queer.
You are perfect, you are sheer,
If you are a red-haired queer.
C'est la vie, have a sniff.
C'est la vie, ma cherie,
But it really doesn't matter.

No teeth between pink lips,
Eyeline shadow with a crazy look,
The jewel behind my lobe of ear,
Rouge on my face hides my beard,
Long violet fingernails,
I adore those magic tales.
I don't mind, I don't mind.

No G.D.M.
No great dark man
No G.D.M.
No great dark man

Wanna be a great dark man,
Being but a lesbian.
You are perfect, you are sheer,
If you are a red-haired queer.

That's life, one dies.
C'est la vie, ma cherie.
C'est la vie, have a sniff.
That's life, one dies.
C'est la vie, ma cherie.
C'est la vie, have a sniff.
That's life, one dies.

C'est la vie, ma cherie.
C'est la vie, have a sniff.
That's life, one dies.
C'est la vie, ma cherie,
C'est la vie, have a sniff
That's life, one dies.
C'est la vie, ma cherie.
