

# Ginny Owens, With Me

Life is a strange thing.  
Sometimes it's thrilling  
And sometimes it gets me down.  
Some days my world  
So all consuming  
I'm afraid I'm gonna drown.  
But there's one thing I know for sure

CHORUS:

That good days come  
The dark days call  
but every day You're with me, with me through it all.  
And I will embrace what every moment brings  
Because You are with me.

I cannot measure  
The pain and pleasure  
Life has up its sleeve  
My joys and sorrows  
Todays and tomorrows  
OFFER me no guarantees.  
But there's one thing I know for sure  
That good days come

CHORUS

And when life isn't fair  
I can still smile  
Even in my despair  
You're there all the while.
