

Gino Vannelli, I Just Wanna Stop

(For your love
(For your love)

When I think about those nights in Montreal
I get the sweet thoughts of you and me
Memories of love above the city lights
Oh, I've tried so hard to take it
But in all my heart won't make it

I just wanna stop
And tell you what I feel about you, babe
I just wanna stop
I never wanna live without you, babe
I just gotta stop
for your love

(For your love)
For your love
(For your love)

When I think about the way the world must turn
(The world must turn)
I get the saddest thoughts for you and me (you and me)
Memories of life's in times go on and on
Oh, I try hard to forget it
But I know my mind won't let it

I just wanna stop
And tell you what I feel about you, babe
I just wanna stop
The world ain't bright without you, babe
I just gotta stop
for your love

[Instrumental Interlude]

Oh, I try so hard to take it
But I know my heart won't make it
I just wanna stop
And tell you what I feel about you, babe
I just wanna stop
The world ain't bright without you, babe
I just wanna stop
For your love

Stop, oh-oh-ooooh
I just wanna stop, oh-oh-ooooh
I just wanna stop
And tell you what I feel about you, babe
