

Ginuwine, Love You More Everyday

Ginuwine talkin*

I just dont know what else to say baby
Theres really nothing else left to say'
Theres really nothing more I can say
But, I love u.... Listen

Since u came inside my life,
You given me the best of you
Everday and night,,
i found my happiness in you ,
And you make me wanna ride to the end of any valley,
Then u give me peace of mind
You bring me comfort to my soul, give me such a high,
No I will never let you go,
Make me wanna fly, to the top of every rainbow,

I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you,
I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you
More and more everyday...

So promise me you'll never leave,
Never say this is the end,
Spend your life with me,
You'll be my wife and my best friend,
Raise a family, something we can both treasure,

In the mean time, I'm gon put in work,
You gon be fine, you never have to work,
So would you come and fly with me?,
Forever you and me,
Thats how its spose to be,
I love you every.....

I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you,
I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you
More and more everyday...

I wont stop loving u, and I wont stop kissin you
Your the reason why..... I smile
And I wont stop holding you,
And I wont stop loving you,
Your the reason why..... I smile

I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you,
I love you more everyday,
You show me love in every way,
Theres nothing left for me to say, but i love you,
More and more everyday....
