

Ginuwine, My Whole Life Has Changed

My Whole Life Has Changed

chorus:

My whole life has changed
Since you came in
I knew back then
You were that special one
I'm so in love, so deep in love
You made my life complete
You are so sweet
No one competes
Glad you came into my life
You blind me with your love
With you I am in sight

Girl, you opened me
I'm wide open
And I'm doing things, I never do
But I feel so good, I feel so good
Why'd it take so long me finding you
This is my story
And I'm telling you
It's not fiction
It's truly a fact
Without you right here having my back
I really don't know just where I'd be

repeat chorus:

I analyzed myself
I was buck wild
Never thought about, settling down
When all the time I knew
I was ready
But not with all my friends around
But girl I put you first now
You made me, helped mold me
Turned me into a man
I'm so responsible
And I owe it all to you.....

repeat chorus:

God's blessed me
(God has blessed me baby,
God was so good to me when he sent you)
I'm so happy
(I'm so happy, I'm so happy, baby)
Share my world
(Come and share my world, baby
oh..... in love)
I'm so in love,
i'm so in love, I'm addicted to your love, baby

repeat chorus twice:

(fading chorus)
