

# Ginuwine, No.1 Fan

## \*Chorus\*

I'm lookin' for my No.1 fan  
I know she's somewhere in the stands  
Let me see you wavin your hands  
I can't see you  
Wave a little more if you can, Where's my No.1  
I'm lookin' for my No.1 fan  
I know she's somewhere in the stands  
And we'll be doin' more than shakin' hands  
I can't see you  
Wave a little more if you can, where's my No.1

## \*Verse One\*

I've seen every picture you sent,  
I've read every letter you wrote  
And everytime they play my song,  
You sang it (note by note)  
I wonder what you do to me  
If you were to see me in the streets  
Well darlin' I would like to see  
Be at my show waitin' for me

## \*Chorus\*

## \*Verse Two\*

I hear you everytime you scream  
I put it on you in your dreams  
I'm hangin' on your bedroom wall  
I see you when you ain't wearin' nothin' at all  
And sometimes you look at me  
When you be feelin, oh freaky  
Well darlin' I would like to see  
Be at my show waitin' for me

## \*Chorus\*

## \*Bridge\*

I can't see you  
(Where they at, there they go over there over here)  
(Repeat 4x)

## \*Chorus Until Fade\*
