

Ginuwine, On My Way / Sex (Interlude)

yeah
ya know
i'll be there baby
just hold on
i kno u like it

Keep it warm, I'll be there, I 'll be rollin' in 'bout two or three,
I can only think, how your body feels, And the way that it last to me,
You're like a dream, a vivid dream, That I don't want to wake up from,
you Bring out the beast in me, Bring it out of me,
You're all I want, You're all I need,

chorus

Babe I'm on my way, Girl I 'm coming home,
Is that body calling me, (cause i wanna) wanna hear you scream,
Calling out my name, Giving you just you need,

Babe I'm on my way, Girl I 'm coming home,
Is that body calling me, (cause i wanna) wanna hear you scream,
Calling out my name, Giving you just you need,

I can't picture, me living life, without coming home to you ,
and I'm so glad, you're all mine, and I know this loves so true,
Girl as soon as I unlock, Get ready cause girl it's on,
wear that silky dress I like, baby and Baby put the red thong on, (yea)
