

Ginuwine, Open The Door

(feat. RL)

[Verse 1:]

Something about the way you kiss me dang girl your lips are so soft I can't control it when your with

[Bridge:]

I can't control myself I think about it even when I'm by myself all I want is you open the door

[Chorus:]

You Can be my lover you can be my friend just open up girl and let me in open the door let me be y

[Verse 2:]

Girl your body is the greatest I wanna hold on and never let go ohhh can't you feel the anticipation

[Bridge:]

I can't control myself I think about it even when I'm by myself all I want is you open the door

[Chorus:]

You Can be my lover you can be my friend just open up girl and let me in open the door let me be y

[Verse 3: RL]

I want you I think of how it feels when I'm with you unlocking your doors to get in you knock knock I

[Chorus:]

You Can be my lover you can be my friend just open up girl and let me in open the door let me be y
