[Ginuwine]

I gotta show the other freaky side of me  
Girl i wanna give you every inch you need  
Jump up in my truck and let me take you there  
Let me ride you thru the night  
I'm a sexaholic and im cool with it  
So let me eat the kitty till i'm thru wit it  
Wanna see you shake it 'cause you lovin' it  
The pleasures all mine

I want it all the time  
Its always on my mind  
Its just a part of me  
Sex I Love  
I love it anywhere  
The bed the floor or chair  
Its just a part of me  
Sex I Love

[Chorus]

I want her to beg while im hitting it  
Wanna see you beg while im diggin' it  
Not Just In And out im a circle man  
Everything i wanna feel  
Hittin' every wall is the master plan  
Gotta let you know the kind of man i am  
Gotta put it down gotta rep to keep  
I know how women talk yeah

I want it all the time  
Its always on my mind  
Its just a part of me  
Sex I Love  
I love it anywhere  
The bed the floor or chair  
Its just a part of me  
Sex I Love

[Chorus 2x]

[bridge]

I want to feel you close to me  
And never will i let you go  
The feeling of love is something that i need  
And this is something that you gotta know

[sol]

You see you already know tha kind girl i am  
Need a mean long stroke and a video cam  
Cherry bra high heels i ain't entice my man  
Making love by the tub playing one of your jams  
Then in front of the mirror watch me work the pole  
Then i work you on the chair till i reach my goal  
When i bring it to the floor let you take control  
See me bend while you dig, see this thing is gold  
My weakness, pretty niggas with big sticks  
That do tongue tricks  
Starring in our own porno flicks  
Turn you on like a light switch  
Hard as a brick  
'cause you lovin how im moving it and its extra thick  
I'll have you anywhere bed floor or chair  
And you can spank me hard and pull my hair  
You see its all for you i aint the type to share  
So you got dick for days and i got ass to spare

[Chorus]

I like it  
I love it  
Its always on my mind
