

# Girl & Nervous Guy, Puncak Jaya

You promised a cruise  
From Eden of eyes  
You promised a travel  
Through Greenland

You promised to look down  
Right from the top  
You promised safari  
Through America  
From East to West

Deep ... in Mississippi

You promised a cruise  
Crossing boundaries  
Mix to exploit  
You promised  
And list is long  
From East to West

Deep ... in Mississippi
