

# Girl & Nervous Guy, Touch The Moon

I'd sooner touch the moon  
Than i shoot a bow  
I'd sooner kiss baboon  
Than i let the arrow go

Police block the roads  
Set a trap  
Across the town  
But not mine

Couldn't I just once  
Spread my arms wide  
Couldn't I once fly?

Why all in a dream  
Takes a lot of time?
