

# Girls Against Boys, Push The Fader

Push the fader I'm tired  
Push the fader I'm weak  
It's the only way to be  
Breath it in drink it it  
Ya got 10 more minutes  
So push the fader get it right  
Cause ya still owe me  
You still owe me  
Cut it can get faded  
Like it's fading away from me  
Push the fader  
Ya can't lose me  
Bass the antion on fire  
It's the only way to see  
Ya got 9 more minutes  
So push the fader  
'cause ya still owe me  
Bass the nation  
Fade on and on  
'cause ya still owe me
