

# Girls Aloud, All I Need (All I Don't)

You're all I need, all I don't

Don't move, but then run  
You're calling my bluff  
I've seen you too much  
But not quite enough

And you want me  
And you're getting me  
And you want me  
And you're getting me

(Ah)  
You're all I need, all I don't  
(Ah)  
All I need, all I don't

All night well I knew  
Just what you're up to  
Too fall but not true  
I'd hate to love you

And you want me  
And you're getting me  
And you want me  
And you're getting me

(Ah)  
You're all I need, all I don't  
(Ah)  
All I need, all I  
(Ah)  
You're all I need, all I don't  
(Ah)  
All I need, all I don't

Oh, uh, huh, All I don't

And you want me  
And you're getting me  
And you want me

(Ah)  
You're all I need, all I don't  
(Ah)  
All I need, all I  
(Ah)  
You're all I need, all I don't  
(Ah)  
All I need, all I don't

All I need, all I don't  
(All I don't, You're all I don't)  
All I need, all I don't  
(All I don't, You're all I don't)  
All I need, all I don't
