

# Girls Aloud, Count The Days

I would write a thousand letters  
Just to talk to you  
I would climb a hundred mountains  
Just to be with you  
I would make it snow in summer  
If it meant you'd stay  
Turn back time when we're together  
Make it Christmas Day

Look at the stars  
Twinkling bright in the dark  
Like the snow in the cold winter sun  
Here by the fire  
The sound of your voice warms my heart  
But it don't feel like Christmas without you in my arms

All over town  
People running around  
They've got stars in their eyes  
Hurrying home  
To be close to the one that they love  
Light on the tree,  
Shining shadows on me  
As I wait by the fire  
Presents and dreams but for me  
You'd be enough

(CHORUS)

I'll be waiting by the phone (I'll be waiting for you)  
Til my baby's coming home (I'll be waiting for you)  
I'll be praying every night (I'll be praying)  
You'll be back soon by my side  
I'll be waiting by the phone (I'll be waiting)  
Till my baby's coming home (I'll be waiting for you)  
I'll be praying every night (I'll be praying)  
You'll be back soon by my side

Count the days, count the days  
I've been so lonely, come home baby  
It ain't Christmas til you're here with me  
Count the days, count the days  
Til this wait is through, come home baby  
Christmas just ain't the same without you

When I think my world could fall apart  
And I'm damn near broken in my heart  
And my world is falling down  
In my mind I will keep you safe from harm  
Till you're lying in my arms  
Until then I'll wait somehow

(CHORUS)

I'll be waiting by the phone (I'll be waiting for you)  
Til my baby's coming home (I'll be waiting for you)  
I'll be praying every night (I'll be praying)  
You'll be back soon by my side  
I'll be waiting by the phone (I'll be waiting)  
Till my baby's coming home (I'll be waiting for you)  
I'll be praying every night (I'll be praying)  
You'll be back soon by my side
