

# Girls Aloud, Crocodile Tears

Don't be a fool for the boys  
Boy, you kill me  
Don't lose your cool for the prize  
It's bound to tease me

And you could be the one that's the head of the pack babe  
You could be the power that's stealing the whole damn show  
Stupid Cupid took a terrible ending  
You could have your hour and be happy in all one go

Stop!  
You're living under  
I feel as if it's undone  
We've gotta  
Stop!  
Before we crumble, hmm, hmm  
Yeah, better stop  
Before we tumble

(Uh ah, uh ah)  
Why on earth did you leave me?  
Yeah! (uh ah, uh ah)  
Did you need to leave me?

"Cry cry crocodile crocodile tears  
Babe, cry cry crocodile crocodile tears  
Don't you cry cry crocodile crocodile tears?  
Why don't you, why don't you  
Cry cry crocodile crocodile tears?"

In the hours that you're tired  
Babe you built the fire to burn me again  
And 'cause your eyes, they defy  
So why not build a bomb to blow me again?

Hmmmm Hmmm Hmmm...

And I'm giving it up,  
I'm never dealing it out  
Giving it up  
I'm never hanging it out now  
Living it up  
I wanna clean it all out now  
I gotta stop, dreaming away now

"Cry cry crocodile crocodile tears  
Babe, cry cry crocodile crocodile tears  
Don't you cry cry crocodile crocodile tears?  
Why don't you, why don't you  
Cry cry crocodile crocodile tears?"

"Cry cry crocodile crocodile tears  
Babe, cry cry crocodile crocodile tears  
Don't you cry cry crocodile crocodile tears?  
Why don't you, why don't you  
Cry cry crocodile crocodile tears?"
