

Girls Aloud, Fix Me Up

Oh, sex me up
'Cause I'm feeling like I want you now
Oh baby, come sex me up
'Cause I'm feeling like I want you now
Oh, sex me up
'Cause I'm feeling like I want you now
Oh baby, come sex me up
'Cause I'm feeling like I want you now

A change gon come
Whether it in the morning, night or noon or evening
Yo baby babe
And I know for fun, I'll stand up and reveal it
But a change sure gon come

All night (oh oh)
Getting heated
Aggravated
All night (oh oh)
Sent it sweetest, just can't eat it
Oh no (oh oh)
Didn't mean it
Deeper now
So long (oh oh)
This energy goes on and on

Yo, baby, fix me up
In the middle of the morning, evening
Oh, baby, fix me up
You gotta give me all my sexual healing
Oh, fix me up (woo!)
Gotta give me some rubber dubber ultimate squeezing
Oh, baby, fix me up (oooh!)
I want my healing (oooh oooh!)

I've got the bug
Feverish in the morning, night and noon and evening
Yo, baby babe
Come give me a hug, the medicine I'm needing
Gonna sure cure this bug

All night (oh oh)
Getting heated
Aggravated
All night (oh oh)
Sent it sweetest, just can't eat it
Oh no (oh oh)
Didn't mean it
Deeper now
So long (oh oh)
This energy goes on and on

Yo, baby, fix me up
In the middle of the morning, evening
Oh, baby, fix me up
You gotta give me all my sexual healing
Oh, fix me up (woo!)
Gotta give me some rubber dubber ultimate squeezing
Oh, baby, fix me up (oooh!)
I want my healing (oooh oooh!)

Oh, sex me up
'Cause I'm feeling like I want you now
Oh baby, come sex me up

'Cause I'm feeling like I want you now
Oh, sex me up
'Cause I'm feeling like I want you now
Oh baby, come sex me up
'Cause I'm feeling like I want you now

Oh baby baby, zip the chain
Nobody's gonna stake the claim
Nobody's gonna pop the lock
Oh baby baby, hit the light
You gotta hit the spot
Oh baby baby, zip the chain
Nobody's gonna stake the claim
Nobody's gonna pop the lock
Oh baby baby, hit the light
You gotta hit the spot

Don't hit my what
Come hit my spot
Don't pop the lock
Don't hit my what
Come light my spot
Let me give it to ya
Break it down, Mr. Shot

Hit the lot
Don't hit my what
Come hit my spot
Don't pop the lock
Don't hit my what
Come light my spot
Let me give it to ya
Break it down, Mr. Shot

Yo, baby, fix me up
In the middle of the morning, evening
Oh, baby, fix me up
You gotta give me all my sexual healing
Oh, fix me up (woo!)
Gotta give me some rubber dubber ultimate squeezing
Oh, baby, fix me up (oooh!)
I want my healing (oooh oooh!)
Ooooh, ooooh
