

Girls Aloud, I'm Every Woman

I'm every woman, it's all in me
Anything you want done baby
I'll do it naturally
I'm every woman, it's all in me
I can read your thoughts right now
Every one from A to A

(Woah, woah, woah)
(Woah, woah, woah)

I can cast a spell
With secrets you can't tell
Mix a special brew
Put fire inside of you
But anytime you feel
Danger or fear
Then instantly I will appear

I'm every woman, it's all in me
Anything you want done baby
I'll do it naturally
I'm every woman, it's all in me
I can read your thoughts right now
Every one from A to Z

I can sense your needs
Like rain on to the seeds
I can make a rhyme
Of confusion in your mind
And when it comes down
To some good old fashioned lovin'
I've got it, i've got it
I've got it, got it, plenty cause

I'm every woman, it's all in me
Anything you want done baby
I'll do it naturally

I ain't braggin'
Cos I'm the one
You just ask me
Ooh it shall be done
Don't bother
To compare
I've got it

I'm every woman (every woman baby)
I'm every woman
I'm every woman (I'm every woman)
I'm every woman (woah)
I'm every woman (woah)
I'm every woman
I'm every woman (I'm every woman baby)
I'm every woman (woah)
I'm every woman
