Girls Aloud, The Show

If it's not you oh no I won't do that You'll have to wait for me and that is that

Shoulda known, shoulda cared
Shoulda hung around the kitchen in my underwear
Acting like a lady
You shoulda made me, oh
Shoulda jumped a little higher
Shoulda fluttered my mascara
Like a butterfly
Instead of being lazy
It woulda saved me
[Repeat]

Someone saved my heart today Will someone turn the light back on? Cos ever since you went away The other rushes feels so wrong

That special something, that they are hunting They're always wanting, more and more [Repeat]

Nobody sees the show Not 'til my heart says so If it's not you, oh no I won't do that Boy if you want to be my speciality You'll have to wait for me and that is that

I won't (ooh), unless you want me to I want (you), get in the queue [Repeat]

That special something, that they are hunting They're always wanting, more and more [Repeat]

Nobody sees the show Until my heart says so If it's not you, oh no I won't do that Boy if you want to be my speciality You'll have to wait for me and that is that [Repeat]

(Ooh, ooh, ooh, ooh) Shoulda made me now Gotta save me now [Repeat]

Shoulda known, shoulda cared
Shoulda hung around the kitchen in my underwear
Acting like a lady
You shoulda made me, oh
Shoulda jumped a little higher
Shoulda fluttered my mascara
Like a butterfly
Instead of being lazy
It woulda saved me

Shoulda known, shoulda cared Shoulda hung around the kitchen in my underwear Acting like a lady (Shoulda made me now)
You shoulda made me (gotta save me now), oh
Shoulda jumped a little higher
Shoulda fluttered my mascara
Like a butterfly
Instead of being lazy
(Shoulda made me now)
It woulda saved me (gotta save me now)

Ooh, ooh, ooh, ooh Ooh, ooh, ooh [Fade]
