

Girls Aloud, With Every Heartbeat

Oooh,
Oooh,
Oooh,
Oooh,

Maybe we could make it all right
We could make it better sometime
Maybe we could make it happen baby
We could keep trying but things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back
Just a little, little bit better

Good enough to waste some time
Tell me would it make you happy baby?
We could keep trying but things will never change
So I don't look back
Still I'm dying with every step I take
But I won't look back
We could keep trying but things will never change
So I won't look back
Still I'm dying with every step I take
But I don't look back
Just a little, little bit better babe

And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat

So I don't look back
Still I'm dying with every step I take
But I don't look back
We could keep trying but things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back
Just a little, little bit better
And it hurts with every heartbeat
And it hurts with every heartbeat
