

Girls' Generation, Kissing You

Doo roo~doo doo

Kissing you baby

Doo roo~doo doo

Loving you baby

I'm happy with your joke like kiss

Even if you have an expression so cute and innocent

Already I'm like a lady

My lips calling out your name

[Chorus]

I walk with you with our feet side by side, and I hold both your hands

I lean on your shoulder and I want to tell you...

"Thank you. I love you, I'll only give you happiness"

[Kissing you oh my love]

Tomorrow, within the warm sunrays, you'll lay right next to me

As I sing you a love song, you start to smile

The sweet and wonderful words "I love you"

Doo roo~doo doo

Kissing you baby

Doo roo~doo doo

Loving you baby

I close my eyes while I give you a kiss

My cheeks start to light up rosy pink

I've already fallen for you

You can hear my heart beat within my chest

[Chorus]

I walk with you with our feet side by side, and I hold both your hands

I lean on your shoulder and I want to tell you...

"Thank you. I love you, I'll only give you happiness"

[Kissing you oh my love]

Tomorrow, within the warm sunrays, you'll lay right next to me

As I sing you a love song, you start to smile

The sweet and wonderful words "I love you"

I love you, I love you, I love you as much as the skies

I will always make it so that you smile happily

I will also promise you a special girl

Stay right next to me, and exist in my eyes

And I will always be within your arms [within your arms]

[Chorus]

I walk with you with our feet side by side, and I hold both your hands

I lean on your shoulder and I want to tell you...

"Thank you. I love you, I'll only give you happiness"

[Kissing you oh my love]

Tomorrow, within the warm sunrays, you'll lay right next to me

As I sing you a love song, you start to smile

The sweet and wonderful words "I love you"

The sweet and wonderful words, "I love You"
