

# Girls in Hawaii, Plan Your Escape

I sing the song in the dark  
Cause I'm done in the lock  
Of those treasure we've found  
When we dug up the ground

I spend the days and the nights  
Watching friends and their wives  
Me on locked in the songs  
Women asked if we were young

My blood froze up in my veins  
While you stared at the floor

If I had a gun in my hand  
Would I see in the end  
Of this life on the rack  
Something I could regret

Or would I smile to the world  
Leave it when it gets caught  
Thank you for what I've got  
Fuck you for what I'm not

My blood froze up in my veins  
While I stared at the floor

You know some planets are gone  
And I plan my escape
