

Girls, Laura

Where did it start?
We used to be friends
Now when i run into you
I pretend i don;t see you
I know that you hate me

I've tried to be tough
I've tried to be mean
O dpn't want to be like this
And i hope that you listen
All i am trying to say is

Reach out and touch me
I am right here
And i don't want to fight anymore
I really wanna be your friend forever
