

Girlysound, Fuck And Run

I woke up alarmed
I didn't know where I was at first
Just that I woke up in your arms
And almost immediately I felt sorry
Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions
And whatever happened to a boyfriend
The kind of guy who tries to win you over
And whatever happened to a boyfriend
The kind of guy who makes love cause he's in it and

I want a boyfriend
I want a boyfriend
I want all that boring old shit
Like letters and sodas
Letters and sodas

You got up out of bed
You said you had a lot of work to do
But I heard the rest in your head
And almost immediately I felt sorry
Cause I didn't think this would happen again
No matter what I could do or say
Just that I didn't think this would happen again
With or without my best intentions and

I want a boyfriend
I want a boyfriend
I want all that stupid old shit
Like letters and sodas
Letters and sodas

And I can feel it in my bones
I'm gonna spend another year alone
It's f**k and run
F**k and run
Even when I was seventeen
F**k and run
F**k and run
Even when I was twelve

And I can feel it in my bones
I'm gonna spend my whole life alone
It's f**k and run
F**k and run
Even when I was seventeen
F**k and run
F**k and run
Even when I was twelve

You almost felt bad
You said that I should call you up but
I knew much better than that
And almost immediately you felt sorry
Cause you didn't think this would happen again
No matter what you could do or say
Just that you didn't think this would happen again
With or without your best intentions

And whatever happened to a girlfriend
The kind of chick who tries to win you over
And whatever happened to a girlfriend

The kind of chick who makes love cause she's in it and

You want a girlfriend
You want a girlfriend
You
Like letters and sodas
Letters and sodas
Letters and sodas
Letters and sodas
