come, come closer  
I will do no harm  
let's play the game  
I'll show you around  
in the woods of spells  
in the woods of magic  
in the woods of spells  
in the woods of magic

come get lost  
in my deep blazing eyes  
don't tell me  
you don't crave to  
in the world of spells  
in the world of magic  
in the world of spells  
in the world of magic

umor muscus~primula folia~nebula mattutina~gelata regia~guta sanguinis~sagittae

walk, walk further  
it is sweet and calm  
in the deepest blue  
we will sleep so sound

won't do no harm  
we're the wicked women  
won't do no harm  
we're the wicked women  
won't do no harm  
we're the wicked women  
we're the wicked women  
we're the wicked women  
we're the wicked women
