Sugar Im pleased  
Look what youve done to me  
Can you see me creep  
Because I cant get no sleep  
If thousand times Ive tried  
To get you out of my life  
But then you hear me cry  
For you to walk on by  
In the club I will raise my hands  
I just wanna dance dance dance  
All the thoughts of a new romance  
I just wanna dance dance dance  
(2x)

Im drowning at the bar  
Thinking the way you are  
I feel that youre still near  
When my senses become unreal  
If thousand times Ive tried  
To get you out of my life  
But then you hear me cry  
For you to walk on by  
In the club I will raise my hands  
I just wanna dance dance dance  
All the thoughts of a new romance  
I just wanna dance dance dance  
(2x)

I just wanna dance  
When youre about to call  
My world turns like a disco ball  
Then come for me at all  
(6x)  
In the club I will raise my hands  
I just wanna dance dance dance  
All the thoughts of a new romance  
I just wanna dance dance dance  
(2x)
