

# Giveon, Heartbreak Anniversary

Balloons are deflated  
Guess they look lifeless like me  
We miss you on your side of the bed

Still got your things here  
And they stare at me like souvenirs  
Don't wanna let you out my head

Just like the day that i met you  
The day i thought forever  
Said that you love me  
But that'll last for ever  
It's cold outside like when you walked out my life  
Why you walk out my life?

I get like this every time  
On these days that feel like you and me  
Heartbreak anniversary  
Cause i remember every time  
On these days  
That i feel like you and me  
Heartbreak anniversary  
Do you ever thinking of me?  
No /4x
