

# Gladys Knight & The Pips, Letter Full Of Tears

Mmmmm

Here comes the mailman walking up the street  
and it looks like he has a letter today for me  
Wait a minute let me look inside no it couldn't be from my guy  
because he he brought me, (yes he did)  
I said he he brought me, (yes he did)  
A letter full of tears  
I thought we had a love so strong (we had a love)  
it would take a lifetime to break us apart  
oh yes  
but I found out today I was wrong  
and my reward was a broken heart my my heart  
oh here comes the teardrops welcome a welcome to my eyes  
and I couldn't hold 'em back no matter if I tried

wo wo oh

You know it hurt me so inside  
won't you pardon me while I cry  
because he brought me (yes he did)  
I said he brought me (yes he did) a letter full of tears  
(here comes the mailman) Those aren't drip drop tears (bringing me tears)  
Can't you see them falling (here comes the mailman bringing me tears) wo  
wo oh wo wo oh wo oh oh oh (hey, yes he did, hey hey , yes he did, hey  
hey hey woo  
yes he did)  
I thought (hey hey hey woo yes he did)  
we had a love so strong  
(hey hey hey woo, yes he did)
