

Glass Tiger, Animal Heart

Just as the day time turns into night time
I know that I can turn to you
And as the river runs to the ocean
I know that I can run to you
Just like the rich man needs lots of money
Listen, woman, I need you
Just like the hunter stalks the hunted
In a jungle of lust, it's true

I've got an animal heart when I see you
Animal heart, I'll do anything you want me to
I've got an animal heart
This love for you never changes (animal heart)
No, no

Pressure's rising, I see your eyes and
I know that the game is you
You keep me running, but I'm still coming
Oh lover, do the things you do
Oh, With a young heart, well I'm never lonely
Oh, but listen woman, I need you
My heart is aching, my body's shaking
Oh, but one thing that I know is true

I've got an animal heart when I see you
Animal heart, I'll do anything you want me to
I've got an animal heart
This love for you never changes (animal heart)
No, no

I've got an animal heart when I see you
Animal heart, I'll do anything you want me to
I've got an animal heart
This love for you never changes (animal heart)
I've got an animal heart when I see you
Animal heart, I'll do anything you want me to
I've got an animal heart
This love for you never changes (animal heart)
No, no
I've got an animal heart when I see you
Animal heart
I've got an animal heart
This love for you never changes (animal heart), oh yeah
