

Glassesboys, She Owns The Night (feat. Tyra Juliette)

She was ... to the grocery store
She can eat what she wants
Initial... take more
Attitude form New Your
Coz her daddy is from L.A.
Should take your heart and your money
Then she just walk away

She loves you like...
Did you make her body rock?
Did you make her body rock?
Did you make her body rock?
Did you make her body rock?
