

Glassesboys, Your Love (feat. Stephen Pickup)

I?m trapped
I?m lasted in your love
Can?t look back
Can?t get a run
I?m trapped
I?m lasted in your love
Can?t look back
Can?t get a run

I?m trapped
I?m lasted in your love
From a moment I meet you
Can?t look back
Can?t get a run
I know when felt you

You the one for me /5x
