

# Glassjaw, Natural Born Farmer

You claimed acceptance for the time before  
You wait for all of us to open up together  
You claimed acceptance for the time before  
You wait for all of us to open up to get down

Wait around  
Vomit on the prowl  
Make it go round  
Vomit on the prowl  
Watch the fire like I'm a Natural Born Farmer  
Get around  
Vomit on the prowl

You claimed acceptance for the time before  
You wait for all of us to open up together  
You claimed acceptance for the time before
