

Glax, World's End

Why can't she understand just how much I love her?

Well, like they say

This world can't always be the way we want it to be

Nee hanii kanashii ame ni utare

Tagai ni meiro no

Deddo endo ni manekareta

Yoru ni erabareta kiseki

Kasuka ni futari wazuka ni

Kokoro hikarete koi ni tokeru

Hakanai meiga to warutsu no sasoi

Amari koe wo nomihosu

Roiyaru miruku tii no beddo no

Nami ni dakare yume ni oboretemo

I want

I wanna be your color

Ai wo manatsu de kogase yo hanii

Appaa na supiidomaisutaa

Kobaruto no buruu kazashita te ni

Sepia no kaze ga merou ni

Koi wo guruuvu de otose yo hanii

Hanmaa biito no rikaa de

Oodore hade ni tomeruna bodi

Yurasou gitaa no rizumu de

Nee hanii futari no heya ni

Hikari mo oto mo nakunatte

Ikutsumo no yoru ni osowareta

Fukai kanashimi ga shihai

Mono to kasu shizuka ni aoi hanii

Kyasha na neko ni mimamorare

Tomaru kodou sameta karada wo

Itsu mademo atatame tsuzuketa

Mezametara towa ni chikaou

Yume no hate ni tadoritsukanakutemo

I want

I wanna be your color

Ai no wana ni ochitara hanii

I wanna be your lover

Taka ga akumu sametemo hanii

Awai amai memai

Koi wo aoku moyase yo hanii

I wanna be your lover

Atsui sora ni yaketara hanii

Kimagure na sukooru

Ai wo manatsu de kogase yo hanii

Appaa na supiidomaisutaa

Kobaruto no buruu kazashita te ni

Sepia no kaze ga merou ni

Koi wo guruuvu de otose yo hanii

Hanmaa biito no rikaa de

Oodore hade ni tomeruna bodi

Yurasou gitaa no rizumu de
