

Glen Campbell, Be Honest With Me

Be honest with me dear whatever you do
Remember you're mine love so always be true
Wherever you wander baby on land or on sea if you really love me be honest with me
My poor heart would break babe dear if you were untrue
Asleep or awake love oh I'll dream about you
For you are my darling darling you're all that I see
If you really love me be honest with me
Someday I'll return oh and make you my own
And how I will yearn dear when I'm all alone
Oh I'll never ever forget you baby and your sweet sweet memory
If you really love me be honest with me
