

# Glen Campbell, Country Boy

Living in the city  
Ain't never been my idea  
Of getting it on  
But the job demands  
That you make new plans  
Before your big chance is gone

You get a house in the hills  
You're paying everyones bills  
And they tell you that  
You're gonna go far  
But in the back of my mind  
I hear it time after time  
Is that who you really are

Country boy  
You got your feet in L.A.  
But your mind's on Tennessee  
Looking back, I can  
Remember the time  
When I sang my songs for free

Country boy  
You got your feet in L.A.  
Take a look at everything you own  
But now and then  
My heart keeps going home

Talking on the telephone  
Setting up another day  
Of people to meet  
You've gotta do what's right  
You've gotta spend the night  
Staying in touch with the street

When you're surrounded by friends  
They say the fun never ends  
But I guess I'll never figure it out  
Cause in the back of my mind  
I hear it time after time  
Is this what its all about

Country boy  
You got your feet in L.A.  
But your mind's on Tennessee  
Looking back, I can  
Remember the time  
When I sang my songs for free

Country boy  
You got your feet in L.A.  
Take a look at everything you own  
But now and then  
My heart keeps going home

Country boy  
You got your feet in L.A.  
But your mind's on Tennessee  
Looking back, I can  
Remember the time  
When I sang my songs for free

Country boy  
You got your feet in L.A.

Take a look at everything you own  
But now and then  
My heart keeps going home
