

Glen Campbell, I Can't Help It (If I'm Still In Love With You)

(I can't help it if I'm still in love with you)

Today I passed you on the street and my heart fell at your feet

I can't help it if I'm still in love with you

Somebody else stood by your side and he looked so satisfied

I can't help it if I'm still in love with you

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

Then suddenly I got that old time feeling I can't help it if I'm still in love with you

(I can't help it if I'm still in love with you)

It's hard to know another's lips will kiss you and hold you just the way I used to do

And heaven only knows how much I miss you I can't help it if I'm still in love with you
