Glen Campbell, I'm So Lonesome I Could Cry

Hear that lonesome whippoorwill he sounds too blue to fly That midnight train is whining low I'm so lonesome I could cry Did you ever see a night so long when time goes crawling by The moon just went behind a cloud to hide its face and cry Did you ever see a robin weep when leaves began to die It means he's lost the will to live I'm so lonesome I could cry The silence of a falling star lights up a purple sky And as I wonder where you are I'm so lonesome I could cry
