

# Glen Campbell, Someone To Give My Love To

Well I could search from now to the end of the time never find another you  
I'm so glad because I know you're mine someone to give my love to  
Well I believe my love that you're one of the kind for there's no one else like you  
You're the light of my life so let it shine someone to give my love to  
Well I find happiness is lovin' you and I'll do my best to make your dreams come true  
Now I will follow you to the end of the earth for my place will be with you  
Well I have taken you for better or worse someone to give my love to  
Well I find happiness is lovin' you and I'll do my best to make your dreams come true  
Days of man-and-wife-time are precious few I will spend them all with you  
Then beyond forever I'll wait for you someone to give my love to  
Mhmm mhmm mhmm mhmm  
Well you're the light of my life so let it shine shine on me my whole life through  
Well you're the light of my life so let it shine I need someone like you
