

Glen Campbell, Tomorrow Never Comes

Oh you tell me that you love me yes you tell me that you care
That tomorrow we'll be married but tomorrow's never there
Many weeks have I waited many many long nights have I cried
Just to see that happy morning happy morning when I'd have you right by my side
But tomorrow it never never comes no no no tomorrow ain't never ever gonna come
Now you tell me you tell me you love me can you say that you want me
But tomorrow never comes
