Glen Hansard feat. Marketa Irglova, Once

Part of me has died And won't return And part of me wants to hide The part that's burned

Once Once

I knew how to talk to you

Once Once

But not anymore Hear the sirens

Call me home, call me home Call me home, call me home

Part of me has vowed

To watch it burn

And the heart of me has tried But look what it's become

Once Once

I knew where to look for you

Once Once

But that was before

Once Once

I would have laid down and died for you

Once

But not anymore Hear the sirens

Call me home, call me home Call me home, call me home

Call me home
