

Glen Hansard feat. Marketa Irglova, When Your M

So, if you want something
And you call, call
Then I'll come running
To fight, and I'll be at your door
When there's nothing worth running for
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point even talking
You see, you're just like everyone
When the shit falls all you want to do is run, away
And hide all by yourself
well there's no point that's gonna warn to help
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point even talking
When your mind's made up
When your mind's made up
There's no point trying to change it
So, if you ever want something
And you call, call
Then I'll come running
